Civil Action No. 1:05CV-612-MHT

Dear Sirs/Madam:

The following is my response to the abovementioned case No. 1:05CV-612-MHT.

I, Cornelius E. Jenkins have been employed in the automobile industry for 20 years and I have never taken part in an illegal transaction.

Regarding this case: Hubert Jones vs. David Jones, I do not remember each detail of my interaction with Mr. David Jones on the said date of July 27, 1998. However, I do know that every aspect of the sale of the vehicle involving me as the salesman was completely legal. Mr. David Jones came to the car dealership with everything necessary to make a legitimate automobile purchase. There was nothing to indicate to me any form of fraudulent activity pertaining to the purchase the vehicle.

Respectfully submitted,

Cornelius E. Jenkins
